Subject: Call of the Steering Committee for the Markets Workgroup Wednesday 7/10 at 9 AM

Hi all,

I have not heard back from Dylan yet but time is moving on and we would like to get this call in before our full workgroup call next week.

So let's do this call tomorrow 7/10 at 9 AM

Nate Wittstruck and Ellen Meyer of EPA will also be joining us, and have some ideas for moving forward.

EPA, can you please provide the call in information-thanks

thanks
Doug

Hi all,

Thanks for agreeing to help move the markets workgroup forward. We would like to schedule a meeting of the steering committee in advance of the July 18 workgroup call, to help map our our path forward.

We are looking at times on July 9 or 10, please complete the following doodle poll by mid-day Monday if at all possible and hopefully we can find a time when we are all available.
